

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Attorney Docket No. 111491
Inventor: Woodhams, Max D.

Title of Invention: IMPROVEMENTS IN OR RELATING TO STAIRLIFTS

COMBINED DECLARATION AND POWER OF ATTORNEY

As the below named inventors, we hereby declare that:

Our respective residences, post office addresses, and citizenships are as stated below next to our names; that

We verily believe that we are the original and first inventors of the invention entitled IMPROVEMENTS IN OR RELATING TO STAIRLIFTS, for which a utility patent application was filed with the World Intellectual Property Organization under the Patent Cooperation Treaty on March 2, 2005, and which application was assigned application serial number PCT/GB05/00763, and furthermore, which application claims priority from application number GB 0404644.7 filed in Great Britain on March 2, 2004; and finally, for which we hereby request national stage entry in the United States, as amended by a Preliminary Amendment filed upon such entry; that

We have read the specification and understand the contents thereof, including the claims, as amended by any amendment specifically referred to above; that

We do not know and do not believe that the same was ever known or used in the United States of America before our invention thereof, or patented or described in any printed publication in any country before my invention thereof for more than one year prior to this application, that the same was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the day of this application in any country foreign to the United States of America on any application filed by us or our legal representatives or assigns more than twelve months prior to this application, that we acknowledge the duty to disclose information of which we are aware which is material to patentability as defined by 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application; and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives or assigned except as follows: international applications numbered PCT/GB05/00763 and GB 0404644.7.

We hereby appoint as attorney of record with full power of substitution and revocation, to prosecute this application and transact all business in the Patent and Trademark Office connected therewith: Peter R. Forrest, Reg. No. 33,235; Michael A. Bondie, Reg. No. 39,616; Robert W. Gutenkauf, Reg. No. 25,681, and, Malcolm D. Reid, Reg. No. 27,065 of **Customer Number 28020**.
